7 District Councillors report information only – Cllr Hope

Grants-The grant process is now open until November, don't forget to register first before making an application.

The Commons – Apologies for the late notification of the Wildflower walk on the Commons. This was led by Ellie Phillips who was the HLS officer, but has now left. The walk demonstrated the work that had gone on the Commons and the wealth of flowers that can be found there.

Closed Church Yard – Cllr Hope met with the Churchwardens regarding the grass cutting regime in the Closed Churchyard. It would be advisable to have an advisory group to look at the long term management of the Closed Church Yard, which is managed by South Gloucestershire Council. The Parish pay Special Expenses for the cutting of this grass.

School Bus – Very unfortunate for the first day at KLB for many Y7s– the bus arrived earlier than the time parents had been advised; letters of apologies were issued that day, together with correct timetables; I have asked for an investigation as to what went wrong and assurances that SGC work on the reliability of this service.

The Princes Trust Grant -Organisations and charities that are helping to protect and sustain Britain's farming and rural communities can apply for much needed funding of up to £50,000. The Prince's Countryside Fund opens online for grant applications on Monday, 7 September, until Thursday, 8 October

WATCHOUT – A consultation is to take place for **20mph outside school** which will cover most of the village. The Parish will shortly be consulted.

HEALTH - GET INVOLVED: GP SERVICES AND YATE MINOR INJURIES UNIT

Things are changing – if you are registered with a GP in Yate/Sodbury you are being asked for your views on improving minor injuries services in South Gloucestershire. The pilot, as currently planned, will be delivered by practice-based nurses supported by GPs. Additional staffing and resources will be put in place to provide the necessary extra capacity.

The service is intended to offer patients greater choice of where they can access care

for a minor injury and will complement existing services in South Gloucestershire at Yate Minor Injuries Unit and Southmead Hospital.

For further details about the proposal and to complete the questionnaire, please visit www.southgloucestershireccg.nhs.uk/minorinjuries. The survey will be open until 7pm on Friday, September 11, 2015.

As yet, Cllr Hope hasn't heard anything about changes to the Wotton GP surgeries but if you value the services offered by the Yate Minor Injuries Unit – which are open to all – you might like to respond to the questionnaire.

Please contact Cllr Hope if you use the drop in surgery in the village, now in Bethesda Chapel, Park Street, and let me know how important or not you think this service is.

SOUTH GLOUCESTERSHIRE DISCOVER FESTIVAL- starts on the 10th September. The Festival brings together events from local community groups, businesses and the Council, and is a chance to discover something new this autumn, from local food, nature, heritage, creativity and wellbeing. From a ukulele jam to getting to grips with your smart phone – there is lots on offer. Over 180 events are free and some have a small fee. Check out the website for further details. www.southglos.gov.uk/discover or call 01454 868006

Grant for those in Fuel Poverty-Unfortunately a large grant awarded to SGC to help with those in fuel poverty, does not benefit those in rural areas as it involves installing gas central heating in homes which currently depend on peak electricity.

Devolution-The four authorities of the West of England (WoE) Core City Region, supported by the LEP, have committed to developing an ambitious devolution deal that will strengthen the region's contribution to UK growth and productivity, whilst enhancing the livability that is at the heart of the WoE offer.
