

Our ref: Park Street, Hawkesbury Upton

The Occupier

Dear Customer

Electricity Cable Installation

Kier Utilities will be working on behalf of Western Power Distribution to complete essential work on the electricity supply in your area, which will involve installing a new mains cable. This work will improve the quality and reliability of your supply.

We want to work with the community to ease disruption as much as we can and should you have any concerns you can contact us on the telephone numbers below or for day to day issues then please talk to our operatives on site. When we have to cross the front or the back of your property (in the footpath) we will inform you so that access and egress can be arranged.

Our work will start week commencing 2nd March 2020 and is programmed to take 4 weeks. Please see the map that shows in red the route of the new cable.

Supply interruptions will be kept to a minimum and you may not experience any however a 5 working day warning will be given if it is necessary to interrupt your supply.

You can contact me via e-mail preeve@westernpower.co.uk or by phone on 07376 036405 during the working day Mon-Fri 08:00-16:00 or out of hours contact Mark Lawrence of Kier Utilities on 07395 600192. If you experience any supply problems during our work then please contact Western Power Distribution on their normal emergency number 0800 678 3105.

Thank you in advance for your patience during these works.
