

Age UK South Gloucestershire is still here for older people

Coronavirus update

Although we have had to temporarily close our offices and suspend some of our face-to-face services, we are still available on our Telephone Advice Line.

Please call us on **01454 411707** if you have any questions or worries during these challenging times.

When the telephone answers, press one of the numbers below to select from the following options:

- 1 – Benefits advice
- 2 – Befriending and volunteering
- 3 – Activity Day Centre interim support
- 4 – All other enquiries

If you're online you can also access extra information on our website at: www.ageuksouthglos.org.uk

If we're closed and you need urgent advice, you can call the national Age UK line on 0800 678 1602 (8am to 7pm)
