Dear Sir/Madam

**A432 BADMINTON ROAD, OLD SODBURY
MAJOR MAINTENANCE WORKS 16 MARCH – 4 APRIL 2020**

I am writing to advise you about essential roadworks that are to be carried out on the A432 Badminton Road, Old Sodbury. (See attached plan of site.) From the 16th March 2020, the road will be subject to major resurfacing works.

The works will involve the planing off of the existing surface of the carriageway and the laying of a new surface. The work will start at 8.00pm and remain in place until approximately 6.00am. **These works will create a significant amount of noise.**

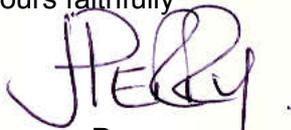

For the duration of the works, the road will be closed and all traffic will be diverted around the area whilst the closures are in place. We will make every effort to ensure that access to properties and amenities fronting the site and whose only access is from the closed road, is kept available and the disruption to local residents is kept to a minimum. However, there may be periods of time when access to properties by vehicle will be unachievable, and for this, we apologise. Please note that adverse weather conditions or plant / delivery problems may affect these times and dates.

During the periods that these works are being carried out, it is essential that the road is kept clear of vehicles, as this will interfere with the works. I am therefore requesting that for the period that the works are in progress, please ensure that all vehicles are parked away from the area. If there are vehicles parked on the road that could obstruct the work, it may be necessary to have the vehicles removed.

I hope this letter gives you a reasonable amount of time to make any arrangements you feel necessary whilst these works are being carried out. South Gloucestershire Council apologises for any inconvenience caused by these essential works.

In the meantime, if you have any queries please do not hesitate to contact Jo Perry on the above telephone number.

Yours faithfully

**Joanne Perry
Engineer (Highway Maintenance)
Street Care**
